

# MULTIPLICATION MINISTRIES

## 2025 Year-In-Review

# A GROWING NETWORK OF DISCIPLES AND DISCIPLE MAKERS

---

God has entrusted us with a clear mission: to serve and support the work of making disciples who make disciples. This year, through Multiplication Ministries, we partnered with churches, pastors, missionaries, and disciple makers who are faithfully investing in people—one conversation, one relationship, and one step of obedience at a time. Together, we are strengthening believers, equipping leaders, and supporting disciple making that will impact generations to come.

**The impact of this mission is evident:**

**137**

churches strengthened

**403**

partners standing with us

Every church represents a community being shaped by the gospel. Every partner represents a life committed to multiplying disciples. This growing network reflects God's work—bringing hope, truth, and transformation to people across many cities and communities.

# WALKING WITH PASTORS AND MISSIONARIES

---

Pastors carry the weight of shepherding God's people, and we are honored to walk alongside them. Throughout this year, we shared time, experience, and prayer—coaching, encouraging, and providing discipleship guidance to leaders who faithfully shepherd their congregations.

In the same way, we walk with missionaries connected through Multiplication Ministries—supporting them through prayer, relational partnership, and faithful financial stewardship so they can remain focused on the work God has called them to do. We also continue to encourage and equip lay disciple makers within the churches we serve. Even when stories do not always reach us, God is at work—often in ways both seen and unseen.

# IMPACT

This past year, through shared efforts with our partners, discipleship tools were placed into the hands of God's people:

**3,639**

One-to-One Discipleship Workbooks distributed.

**791**

Knowing God Personally booklets shared.

**1,000s**

of discipleship conversations supported through these resources.

Every resource is more than a book—it is a seed of life-changing discipleship. Every meeting, every prayer, every study, and every act of obedience represents a seed planted. Through this shared effort, God is strengthening marriages, restoring families, guiding new believers, and raising up disciple makers. The fruit of this ministry is eternal.

# BUILDING ON OUR STRENGTHS

---

We believe the best days of Multiplication Ministries are ahead. As we look toward 2026, we are entering a season of renewed focus and intentional growth. This past year, we began a thoughtful organizational realignment to strengthen our foundation, clarify priorities, and better serve the work God has entrusted to us.

## **As a result, we are moving forward to:**

- Launch a modern, accessible digital platform with tools, training, and resources to support disciple making, so churches and disciple makers can more easily access and use our materials wherever they serve.
- Update and redesign discipleship materials to better serve churches and disciple makers, responding to feedback from pastors and practitioners in the field.
- Develop intentional systems for testimonies to be reported, captured, and shared, strengthening connection, encouragement, and shared learning across our growing network.
- Develop a trained team of disciple makers to support churches and leaders, responding to a renewed hunger among people to know God personally and be discipled well.
- Create online discipleship pathways for mentoring, mutual encouragement, and the sharing of best practices, recognizing that not everyone has access to in-person mentoring, but many can engage meaningfully through digital connection. God is opening new doors, and we are preparing to step through them with faith, clarity, and purpose.

# WITH GRATITUDE

---

Your generosity fuels this mission. Through your partnership, churches are strengthened, pastors are encouraged, missionaries are supported, lay disciple makers are equipped, and discipleship tools are placed into the hands of God's people as the gospel is multiplied through faithful men and women.

Thank you for praying, giving, and standing with us. Every life touched, every leader strengthened, and every disciple made—you are part of this work.

# INVITATION TO PARTICIPATE

---

Order two copies of one of our discipleship resources—one for yourself and one to share with someone you are discipling or plan to disciple.

Make a one-time gift to help advance our shared ministry initiatives.

Consider a monthly commitment of \$100 to help sustain the ongoing work of disciple making.
